

## Better Intimacy | Faith-Aware Influencer One-Pager

### Overview

Better Intimacy helps couples build daily connection with optional faith-aware guidance. Aurora offers gentle prompts that respect Christian values without preaching, shaming, or claiming authority.

### Who It Helps

Christian couples who want practical, respectful relationship support that fits their faith and busy schedules.

### Why Partners Share It

Private-by-design workspace, opt-in faith context, and guardrail-first language make it safe to recommend in values-aligned communities.

### Partnership Options

Story-driven reels, sermon-series companion guides, couples challenges, or a 7-day micro-win activation sequence with your unique link.

### Safeguards

No proselytizing. No moral shaming. No authority claims. Users control what they share and can disable faith-aware context anytime.

### Next Step

Email [hello@betterintimacy.app](mailto:hello@betterintimacy.app) with your audience summary and preferred activation window to receive your partner kit and referral link.
